Boating, kayaking on Sabarmati Riverfront shut down

Just two days after the boat capsizing incident occurred in Vadodara's Harni lake, resulting in the loss of 14 lives, authorities have ordered the shutting down of boating, water rides, and kayaking services at the Sabarmati riverfront in the city. On Friday, the SRFDCL ordered the two contractors running boat and kayaking services at three different locations to shut down their operations and asked them to submit all the mandatory permits.
