

PM Narendrabhai Modi virtually kicks off redevelopment of 46 railway stations in Gujarat

Prime Minister Narendrabhai Modi today virtually laid foundation stone for redevelopment of 46 railway stations across Gujarat via video conference. These railway stations to be redeveloped include Kalupur in Ahmedabad, Rajkot junction, Jamnagar, Bilimora junction, Ankleshwar and 41 other railway stations. They shall be redeveloped as Amrit Stations. Station walls and interiors are inspired by regional art and culture.
