## **Paldi Jalaram Mandir underpass shuts for traffic after its inauguration**

The newly constructed Paldi Jalaram Mandir railway underpass, inaugurated by Chief Minister Bhupendra Patel on Monday, was closed for traffic movement. The underpass, built for Rs. 82 crores near Jalaram Mandir in the Paldi area of the city, is expected to remain shut for 15 days.

The underpass has four exits leading towards Paldi, and it is learned that Amdavad municipal corporation officials have decided to change the design to accommodate future traffic considerations.
