Imagicaa to set up Rs. 130 crore entertainment hub at Sabarmati Riverfront

Soon, Amdavadis won't need to travel to Lonavala to enjoy the Imagicaa amusement park, as the city is set to get its own Imagicaa right here at the Sabarmati Riverfront. This Rs. 130 crore project is positioned on the east side of the Atal Bridge at Sabarmati Riverfront and is anticipated to be spread over a 5 Lakh SqFt area.

The project has received approval from the Urban Development Department, and a work order is poised for release.
