Top speed of trains on Gandhinagar - Mumbai route to rise to 160 km/h; Vande Bharat, Shatabdi to benefit

Top speed of Mumbai - Gandhinagar Vande Bharat Express train is expected to rise to 160 km per hour from the month of March this year. Western Railway has completed the railway track works to make this possible. The top speed benefit will be availed to not just Vande Bharat Express but also to Shatabdi Express trains on this route. Thanks to this, the travel time between Gandhinagar and Mumbai will decrease by half an hour.
