

SpiceJet announces a major update on its operations at SVPI Ahmedabad Airport

One of the leading airlines SpiceJet today announced a major update related to its operations at Sardar Vallabhbhai Patel International (SVPI) airport in Ahmedabad. SpiceJet announced that starting 9th April 2024 all its flights to and from Ahmedabad will operate from Terminal 2 (t2) of SVPI airport. SpiceJet at present operates all flights at SVPI airport from terminal - 1 which is also popularly known as the domestic terminal. T2 which primarily functions as an international terminal will now also host all flights of SpiceJet.
