

Ahmedabad Civil Hospital gets new CT scan machines, therapeutic garden, other facilities

Gujarat Health Minister Rushikesh Patel inaugurated a series of new healthcare facilities at Ahmedabad Civil Hospital today. The upgrades include a 128-slice CT scan machine at the Trauma Centre, a new registration and pharmacy counter in the OPD building, and a therapeutic play area for children named “Chalo Ramiye” at the 1200-bed Women, Child, and Superspeciality Hospital.
