

Ahmedabad - Gandhinagar Metro Hits Record Ridership with 44 Lakh Passengers in July 2025

The Gujarat Metro Rail Corporation (GMRC), which operates the metro rail service in Ahmedabad, has hit a new high in passenger numbers. In July 2025, GMRC recorded its highest monthly ridership with 44.04 lakh commuters traveling on the Ahmedabad-Gandhinagar route, according to official records. This figure surpassed the previous record of 40.21 lakh set in January 2025.
