With increase in route, Ahmedabad Metro sees ridership soar to 1.5 lakh daily passengers

The Ahmedabad- Gandhinagar Metro Rail service has witnessed a significant rise in daily ridership, climbing from an average of 35,000 passengers in 2019 to around 1.5 lakh in 2025. Maintaining an impressive 99.84% on-time record, over 10.38 crore citizens have used the metro so far, an official press release stated.
