

Traffic diversion announced in Ahmedabad for Bullet Train Project work

As part of the ongoing Ahmedabad-Mumbai Bullet Train project, work will be carried out on the Sabarmati Riverfront (East) road, from Daphnala towards the Swaminarayan Temple (Naranganth), next to the railway bridge, involving the installation of segments (casting) on the bullet train pillars. Keeping city traffic in mind, the Ahmedabad Traffic Police today announced a diversion on this road along with alternative routes. The work is scheduled to continue from 1st November 2025 to 10th June 2026.
