Sabarmati Riverfront gets Rs. 12 crore Linear Garden on East

Sabarmati Riverfront to soon get a new public garden which is a linear garden align to restored wall-city. The garden which has been developed by the Amdavad Municipal Corporation (AMC) at a cost of around Rs. 12 crore is located on the Eastern side of river Sabarmati between Nehru bridge and Ellis bridge. It is currently being used by the locals however its formal inauguration shall take place in the new year (2026) after completion of all works. The new liner garden showcases various aspects of history of the city of Ahmedabad. It will have facilities for senior citizens and children.
