

Half of GIFT City's built-up area allotted; Full allotment likely by 2030

Gujarat International Finance Tec-City (GIFT) is expanding with planning that ensures long-term sustainability and minimal disruption. According to recent data shared by top officials of GIFT City, a total of 71 buildings have been approved so far, of which 25 are already operational and 37 are under construction. With six more under planning and three in the development permission stages, officials have stated that all these buildings are likely to be ready within the next three to four years. Sanjay Kaul, MD and Group CEO of GIFT City, told the media that development rights for around 29.45 million square feet of built-up area have already been allotted, accounting for nearly 50% of its planned 62 million square feet.
