

## **AMC to set up fire station every 10 km, clears recruitment of 200 fire personnel**

The Amdavad Municipal Corporation (AMC) has planned to establish a fire station at every 10-kilometre radius across the city to strengthen emergency response systems. As part of this plan, three new fire stations have been constructed in Sardarnagar, Hathijan and Ranip, which will be inaugurated in the near future, Standing Committee Chairman Devang Dani said today.
