Karuna Abhiyan Injured Bird Helpline Number Released for Kite Flying Festival in Gujarat

During or after the Uttarayan festival, if a bird is found injured due to kite strings, citizens can easily locate the nearest bird treatment centre by sending a WhatsApp message to 8320002000. To ensure quick and proper treatment for injured birds across Gujarat, the Forest Department has announced this WhatsApp number along with the 1926 helpline, both of which will remain operational round the clock.
