

Ahmedabad-Gandhinagar Metro: GMRC updates frequency schedule; Koteswar Road new terminal

The Gujarat Metro Rail Corporation (GMRC) has revised the Ahmedabad-Gandhinagar Metro operations and frequency, with Koteswar Road Metro Station designated as the new terminal station. Under the updated plan, Line 2 of the North-South corridor now operates between APMC and Koteswar Road, replacing Motera Stadium as the northern terminal. The change increases the corridor length to 20.2 km, with an end-to-end travel time of 35 minutes.
