

Toddler swallows 'Hulk' toy: Ahmedabad Civil Hospital doctors perform complex removal - DeshGujarat

A challenging and life-threatening case came to light at Civil Hospital when a toddler, Vansh, accidentally swallowed a plastic toy figure of 'Hulk' while playing at home. The incident occurred on January 18, when the child suddenly appeared distressed and began vomiting. His mother, Bhavikaben, grew suspicious after noticing that one of his toys was missing. Upon questioning, the child indicated that he had swallowed it.
