

AMC proposes feasibility study for new Sabarmati River Bridge in Ahmedabad

The Amdavad Municipal Corporation (AMC), in its Draft Budget 2026, has proposed Rs 5 crore for feasibility studies at five locations for future bridge and elevated corridor projects. These include a proposed river bridge over the Sabarmati from Hansol to Koteshwar, a new bridge near Dafnala Junction based on the CRRI traffic survey report, and an elevated flyover corridor connecting Dariyapur Darwaja to Delhi Darwaja via Shahpur.
