

## **New 80-Meter Road to Link Koba-Gandhinagar Road and SG Highway; Capital to Develop Further in Southern Direction**

In a move set to further boost the urban progression of Gandhinagar towards Southern direction, the Municipal Commissioner has announced the development of a massive 80-meter-wide road connecting Bhaijipura to Adalaj. This new infrastructure project is expected to act as a crucial link between the city's two primary arterial routes: the SG Highway and the traditional Ahmedabad-Gandhinagar road via Koba.
