

Gujarat municipalities to get solar power plants

Gujarat government company Gujarat Urban Development Company Limited (GUDC) has taken a significant step towards implementing solar power projects across various Urban Local Bodies (ULBs) in the state. Under the Swarnim Jayanti Mukhyamantri Shehari Vikas Yojana (SJMMSVY), the process of appointing Detailed Project Report (DPR) consultants has been initiated to set up solar energy projects at Sewage Treatment Plants (STPs), Water Treatment Plants (WTPs), pumping stations, and other government buildings across Gujarat.
