

GIFT City to Get New International School; Priority Admission for Employees' Children

With the number of families living in GIFT City steadily rising, plans are underway to set up a new world-class international school to strengthen social infrastructure in India's first operational smart city. Gujarat International Finance Tec-City Company Limited (GIFTCL) has invited bids for developing the school on Building Footprint 40-C in the Domestic Tariff Area (DTA), aiming to support the growing residential community in the financial hub.
