

Prime Minister Narendra Modi to inaugurate semiconductor OSAT plant in Sanand on March 31

On March 31, 2026, Prime Minister Narendra Modi will inaugurate Kaynes Semicon's OSAT facility in Sanand. This project was approved by the Union Cabinet on September 23, 2024, under India's Semiconductor Mission. With an investment of ₹3,300 crore, the project will further strengthen the semiconductor ecosystem in Sanand. Prime Minister emphasised that the development of the semiconductor sector in India will make this decade the biggest turning point for the country's tech future.
