Ahmedabad Plans Urban Overhaul with 50+ km of Precinct, Iconic and Model Roads

The Ahmedabad Municipal Corporation (AMC) has initiated a major urban infrastructure drive with more than 50 kilometres of precinct development, iconic roads, model roads and corridor projects currently under execution or in the planning stage. The large-scale initiative aims to strengthen Ahmedabad's urban identity through smart, green and people-friendly infrastructure while improving traffic flow and public mobility across the city, the civic body said.
