

Ahmedabad - Gandhinagar Metro Crosses 13.81 Crore Passengers, Daily Ridership Nears 1.6 Lakh

The Ahmedabad-Gandhinagar Metro has emerged as a key pillar of urban public transport in Gujarat, with over 13.81 crore passengers travelling on the network between October 2022 and May 2026. The metro now records an average daily ridership of around 1.53 lakh passengers, a government release said.

As per the press release, following the implementation of Phase 1 and Phase 2, the Ahmedabad-Gandhinagar Metro network spans 68.28 km with 54 stations, becoming an integral part of daily commuting for lakhs of residents. Last-mile connectivity has been strengthened through coordination with agencies such as AMC, GMC, AMTS, BRTS and Indian Railways, with over 200 bus services connected to metro stations.

The metro's daily ridership has witnessed steady growth over the years. Average daily passenger numbers increased from 69,000 in 2023 to 1.01 lakh in 2024 and 1.33 lakh in 2025, reaching 1.53 lakh by May 2026.
