

Railway Minister Reviews Progress of Under-Construction Ahmedabad Bullet Train Station

Union Railway Minister Ashwini Vaishnaw on Saturday visited the under-construction Ahmedabad Bullet Train Station on the Mumbai-Ahmedabad High-Speed Rail Corridor, where he reviewed the progress of the project and interacted with the engineers and construction teams working on the ambitious venture.

During the visit, Vaishnaw inspected the construction of the station building and related infrastructure. He said some of the corridor's most complex engineering works are being carried out in the Ahmedabad section, including the construction of several crossings over existing railway lines and flyovers. He also reviewed the progress of the multi-storey station building and approach infrastructure, and directed officials to maintain the pace of construction to ensure the project is completed within the stipulated timeframe.
