As part of its commitment to environmental conservation and a greener future, AMC today created a Guinness World Record by planting 3.61 lakh trees in just one hour using the Miyawaki method during a mega plantation drive held at Bhadaj. The campaign was organised across an area of approximately 91,006 square metres and witnessed the enthusiastic participation of more than 25,000 volunteers, resulting in the creation of this world record.

Inspired by Union Home and Cooperation Minister and Member of Parliament from Gandhinagar Shri Amit Shah, an intensive tree plantation campaign was undertaken today across the entire Gandhinagar Lok Sabha Constituency.
