AMC Razes Illegal Constructions in Paldi

The Amdavad Municipal Corporation (AMC) on Tuesday demolished illegal constructions at three locations in Paldi, including an unauthorised RCC room allegedly built by former BJP councillor Girish Arvindbhai Patel behind his Jalaram Khaman outlet near Mahalaxmi Crossroads.

The room-like structure, located behind Patel's eatery, had been under the civic body's scanner for nearly two years. Although demolition was proposed earlier, the action was reportedly put on hold following the intervention of senior AMC officials. The structure was eventually razed during Tuesday's demolition drive.
