AMC Waives Charges for Dead Body Van Service Within Civic Limits

The Amdavad Municipal Corporation (AMC) has approved a proposal to provide its shavvahini (dead body transport) service free of charge within the civic body's limits.

The AMC's Fire and Emergency Services Department operates shavvahini services to transport the deceased from hospitals to their homes or from homes to cremation grounds. Until now, citizens were charged fees for availing of the service as per the rates approved by the civic body.

At the Standing Committee meeting held on Thursday, AMC officials and office bearers approved the cancellation of the charges levied for the shavvahini service within the AMC limits.
